Commissioner Motl,

Please accept this letter and attachments as a formal complaint and request for investigation about apparent illegal campaign practices by Terry J. (TJ) McDermott and the TJ McDermott for Missoula County Sheriff campaign and the Datsopoulos, MacDonald and Lind law firm, a CORPORATION. I will list the applicable campaign laws and provide examples of how the McDermott campaign and supporters violated these laws.

I ran for Missoula County Sheriff and Coroner against TJ McDermott in the Missoula County Democratic Primary this past June. McDermott had the support of many powerful Democrats and the Missoula Democratic Central Committee. McDermott had the knowledge, expertise and advice of professional politicians, so I cannot fathom that these acts were accidental or unintentional. The elected officials that supported McDermott had the duty and obligation, under 13-35-503, "to act to prohibit" illegal corporate contributions.

The Office of Sheriff should hold and require a high degree of public trust. As a law enforcement officer, we have the power to take citizen's freedom and we must be held to a higher standard and uphold the public trust. This is even more important for the Office of Sheriff, since the Sheriff leads and determines how the rest of the Sheriff's Office interacts with the public. I know that money does affect political races, but illegal money should not be tolerated. It is my understanding that others have contacted your office about some of these violations, but they were apparently afraid to sign a complaint against a potential Sheriff and a powerful law firm. Please investigate this complaint.

Under Montana law, **corporate campaign contributions are not allowed and are illegal**, as explained in the following statutes. 13-35-502, Findings, provides a brief history of why and how

Montanans have prohibited corporate contributions. 13-35-503, Policy, outlines that each elected and appointed official in Montana "is charged to act to prohibit corporations from making contributions to campaigns of candidates."

13-35-502. Findings. The people of the state of Montana find that:

(1) since 1912, through passage of the Corrupt Practices Act by initiative, Montana has prohibited corporate contributions to and expenditures on candidate elections;

(4) in 2011 the Montana Supreme Court, in its decision, Western Tradition Partnership, Inc. v. Attorney General, 2011 MT 328, upheld Montana's 1912 prohibition on corporate contributions to and expenditures on candidate campaigns, stating in its opinion as follows:

(a) examples of well-financed corruption involving corporate money abound in Montana;

(b) the corporate power that can be exerted with unlimited corporate political spending is still a vital interest to the people of Montana;

(c) corporate independent spending on Montana ballot issues has far exceeded spending from other sources;

(d) unlimited corporate money into candidate elections would irrevocably change the dynamic of local Montana political office races;

(e) with the infusion of unlimited corporate money in support of or opposition to a targeted candidate, the average citizen candidate in Montana would be unable to compete against the corporate-sponsored candidate, and Montana citizens, who for over 100 years have made their modest election contributions meaningfully count, would be effectively shut out of the process; and

(f) clearly the impact of unlimited corporate donations creates a dominating impact on the Montana political process and inevitably minimizes the impact of individual Montana citizens.

13-35-503. Policy. (1) It is policy of the state of Montana that each elected and appointed official in Montana, whether acting on a state or federal level, advance the philosophy that corporations are not human beings with constitutional rights and that each such elected and appointed official is charged to act to prohibit, whenever possible, corporations from making contributions to or expenditures on the campaigns of candidates or ballot issues. As part of this policy, each such elected and appointed official in Montana is charged to promote actions that accomplish a level playing field in election spending.

(2) When carrying out the policy under subsection (1), Montana's elected and appointed officials are generally directed as follows:

(a) that the people of Montana regard money as property, not speech;

(b) that the people of Montana regard the rights under the United States Constitution as rights of human beings, not rights of corporations;

(c) that the people of Montana regard the immense aggregation of wealth that is accumulated by corporations using advantages provided by the government to be corrosive and distorting when used to advance the political interests of corporations;

(d) that the people of Montana intend that there should be a level playing field in campaign spending that allows all individuals, regardless of wealth, to express their views to one another and their

government; and

(e) that the people of Montana intend that a level playing field in campaign spending includes limits on overall campaign expenditures and limits on large contributions to or expenditures for the benefit of any campaign by any source, including corporations, individuals, or political committees.

The following statute specifically prohibits corporations from making contributions or expenditures to a candidate's campaign. It also prohibits candidates from accepting or receiving corporate contributions.

13-35-227. Prohibited contributions from corporations. (1) A corporation may not make a contribution or expenditure in connection with a candidate or a political committee that supports or opposes a candidate or a political party.

(2) A person, candidate, or political committee may not accept or receive a corporate contribution described in subsection (1).

(3) This section does not prohibit the establishment or administration of a separate, segregated fund to be used for making political contributions or expenditures if the fund consists only of voluntary contributions solicited from an individual who is a shareholder, employee, or member of the corporation.

(4) A person who violates this section is subject to the civil penalty provisions of [13-37-128](#).

Complaint 1.

TJ McDermott and the TJ McDermott for Sheriff Campaign accepted and received contributions from the corporation Datsopoulos, MacDonald & Lind, in violation of 13-35-227.

On May 8, 2014 a Meet and Greet was held for "TJ McDermott for Sheriff". This was advertised on the TJ McDermott for Sheriff Facebook page. A Meet and Greet event was also created on Facebook. **Exhibit A1** is a screenshot of the TJ McDermott for Sheriff Facebook page, showing the Meet and Greet event posting. **Exhibit A2** is a screenshot of the Meet and Greet Event page. It lists the location as being at Datsopoulos MacDonald & Lind PC. **Exhibit A3** is a screen shot of Meet and Greet event page after clicking on the "show map" and lists the phone number of Datsopoulos MacDonald & Lind PC, (406)728-0810. Exhibit A3 also shows that the Meet and Greet is "Hosted by Datsopoulos, MacDonald & Lind PC". **Exhibit A4** is a screenshot of a google search showing the name, address, and phone number for Datsopoulos, MacDonald & Lind PC and is the same location and phone number used for the Meet and Greet event.

Exhibits A5, A6, and A7 are photos of an actual invitation sent out for the Meet and Greet event for TJ McDermott for Sheriff. These invitations were both hand delivered and **mailed** to people in Missoula County. The invitation is on Datsopoulos, MacDonald & Lind card stock with "DM&L" on the front.

Exhibit A8 is a photo of the inside of the invitation and reads; "I am excited about the opportunity to support a uniquely qualified candidate T.J. McDermott for the office of Sheriff of Missoula County. Please join me in supporting T.J. in this crucial election by meeting him at my offices on May 8, 2014, at 5:30 p.m."

Milt Datsopoulos

Datsopoulos, MacDonald & Lind

Missoula, MT 59802

"Questions? Please call 406.728.0810 and ask for Darla Keck"

Please notice that the phone number for questions on the Meet and Greet is the same phone number as the law firm of Datsopoulos, MacDonald & Lind. The Datsopoulos, MacDonald & Lind website lists Darla Keck as a shareholder of the corporation.

Exhibits A9 and A10 are photocopies of the Meet and Greet invitation.

Exhibit A11 is a screen shot of a search for Datsopoulos, MacDonald & Lind, on the Montana Secretary of State website and lists it as a **Corporation**.

Exhibit A12 is a photocopy of TJ McDermott's C-5 forms received in the Commissioner of Political Practices office on May 22, 2014 and June 23, 2014. On the list of people that donated \$35 or more is Milt Datsopoulos, who donated \$170 cash to the campaign. McDermott failed to record any type of contribution from Datsopoulos, MacDonald & Lind, a Montana corporation.

Exhibit A13 is a screenshot of a posting on the TJ McDermott for Sheriff Facebook page. It shows a picture of McDermott and Milt Datsopoulos at the Meet and Greet. The post thanks "Milt Datsopoulos and his firm", (a Montana Corporation), "for hosting a wonderful Meet and Greet for TJ tonight". **Exhibit A14** is a larger picture of the exhibit A13 after clicking on the post.

In the weeks and days leading up to the June 3rd primary election, citizens of Missoula County received phone calls asking for their support of TJ McDermott for Sheriff. The phone number that showed up on caller identification when these phone calls were made showed that the calls originated from Datsopoulos, MacDonald & Lind. The TJ McDermott for Sheriff Campaign was allowed to use the building and phone system of Datsopoulos, MacDonald & Lind to make calls asking for voters to support McDermott. **Exhibit A15** is a screenshot of a post from the TJ McDermott for Sheriff Facebook page from June 2nd. The post shows McDermott sitting at a business phone and describes that he is making phone calls asking for support. This apparently is one of the offices at Datsopoulos, MacDonald & Lind. **Exhibit A16** is a larger picture of exhibit A14 after clicking on the posting.

It appears that the corporation, Datsopoulos, MacDonald & Lind hosted the Meet and Greet, paid for the invitations, paid for the postage to mail the invitations, paid for the food and drinks at the Meet and Greet, and provided in kind donations of the use of the phone system and offices at the corporation. There is no record on either C-5 form, of the campaign paying for the Meet and Greet, the invitations, the postage, or the use of the corporate phone system and offices.

Complaint 2.

Policy, 13-35-503, states that each elected and appointed official in Montana advance the philosophy that corporations are not human beings with constitutional rights and that each such official is charged to prohibit, whenever possible, corporations from making contributions to or expenditures on the campaigns of candidates.

The McDermott campaign had the support of numerous elected and appointed officials in local and state government. I believe that under 13-35-503, these officials had an obligation "to act to prohibit" the corporate contributions from Datsopoulos, MacDonald & Lind to the McDermott campaign. The co-chairs for the TJ McDermott for Sheriff Campaign are Missoula Mayor John Engen and Missoula County Commissioner Jean Curtiss, both of whom had a duty to know that corporate campaign contributions are illegal and "act to prohibit them". **Exhibits B1, B2, B3, B4, and B5** are a list of endorsements and I have highlighted the current elected and appointed officials that should have acted to prohibit the illegal corporate contributions.

Exhibits B6 – B11 are screenshots of the "Guests" page from the Facebook Meet and Greet event. These screenshots show the guests that were invited or said they were going to the Meet and Greet, and thus should have known that the event was "Hosted by Datsopoulos, MacDonald & Lind" and should have worked to stop the corporate contribution. I have highlighted the current elected and appointed officials, to include City Councilwoman Emily Bentley, Montana State Representative Ellie Boldman Smith, County Commissioner Jean Curtiss (co-chair), Mayor John Engen (co-chair), Montana State Representative Kimberly Dudik, Montana State Senator Sue Malek, Missoula City Councilwoman Caitlin Copple, Montana Democratic Senate candidate Diane Sands, and campaign treasurer Ann Mary Dussault.

The following statute outlines that election materials cannot be anonymous.

13-35-225. Election materials not to be anonymous -- statement of accuracy -- notice -- penalty. (1) All communications advocating the success or defeat of a candidate, political party, or ballot issue through any broadcasting station, newspaper, magazine, outdoor advertising facility, direct mailing, poster, handbill, bumper sticker, internet website, or other form of general political advertising must clearly and conspicuously include the attribution "paid for by" followed by the name and address of the person who made or financed the expenditure for the communication. The attribution must contain:

(a) for election material financed by a candidate or a candidate's campaign finances, the name and the address of the candidate or the candidate's campaign; and

(b) for election material financed by a political committee, the name of the committee, the name of the committee treasurer, and the address of the committee or the committee treasurer.

(2) Communications in a partisan election financed by a candidate or a political committee organized on the candidate's behalf must state the candidate's party affiliation or include the party symbol.

Complaint 3.

As described above in 13-35-225, election materials cannot be anonymous. The invitations for the Meet and Greet described in section 1, does not list who is financing the cost of the invitation and mailings, nor the party affiliation of the candidate.

Complaint 4.

In the days leading up to the election on June 3rd, the McDermott campaign had multiple campaign advertising on the Missoulian website. Exhibits C1, C2, C3, and C4 are photos of the Missoulian website with TJ McDermott for Sheriff advertisements. None of these examples list what political party he is affiliated with or who paid for the advertising.

The following statute outlines what is required to disclose about received contributions.

13-37-229. Disclosure of contributions received. Each report required by this chapter shall disclose the following information:

(1) the amount of cash on hand at the beginning of the reporting period;

(2) the full name, mailing address, occupation, and employer, if any, of each person who has made aggregate contributions, other than loans, of \$35 or more to a candidate or political committee, including the purchase of tickets and other items for events, such as dinners, luncheons, rallies, and similar fundraising events;

Complaint 5.

TJ McDermott did not accurately reflect the true occupation and employer of at least two campaign contributors.

On the C-5 form, TJ McDermott did not list an occupation or employer for Rich Maricelli and George Chisolm. Instead McDermott listed retired for both. Maricelli gave \$100 and Chisolm gave \$170.

Maricelli is retired from the Missoula County Sheriff's Office, but McDermott knows that it is much more accurate and truthful to list his current occupation and employer. McDermott choose not to list Maricelli's true occupation and employer for unknown reasons. It is common knowledge in the Sheriff's Office that Maricelli works for Neptune Aviation and McDermott knew this. **Exhibit D1** shows

that Maricelli is a Facebook friend of McDermott's and was invited to the Meet and Greet discussed in the previous sections. It also lists that Maricelli is the "SMS Inspector at Neptune Aviation Service".

George Chisolm may be retired, but it is more accurate to list what he does to make money currently. It is common knowledge that Chisolm has been either self-employed or contracted out as one of the people that installs radios and electronics in the Sheriff's Office vehicles. It would have been more accurate to at least put down "self-employed" or "contractor".

Please review these complaints and examine the attached documents. If you have any questions, please contact me. Thank you for your time.

A handwritten signature in blue ink, appearing to read "Joshua F. Clark", is written over a horizontal line.

Dan Rice Good luck today, T-Mac. And, thank you for your support these past few months as I've been getting my feet wet as County Attorney on the other end of the state. Your insight into the issues we've been dealing with has been greatly appreciated. It's good to know that I can always "phone a friend" when the difficult issues arise.
